Clinical Director Job Posting

Anew Day – Who we are

Anew Day is a religious, non-profit ministry organization founded in 2006. We provide free lay counseling and low-cost professional therapy offered on a sliding scale. We serve individuals of all ages, couples, families, and groups. Our mission is to spread hope and healing in our community by offering counseling services that are affordable and accessible. All Anew Day staff and regular volunteers are united by faith in Jesus Christ as Lord and Savior, and we endeavor to represent Him faithfully. We seek to glorify God as we minister to hurting people without discrimination. We do not proselytize but take opportunities to share our faith when asked. Counseling from a Christian/Biblical perspective is provided when requested by the client.

Anew Day is also a counselor training center. We provide supervision, clients and space for trainees and associates working toward licensure. We also provide community workshops to teach counseling skills to people interested in better serving others in their community. Our 11 session Counseling Skills Workshop is required for all Anew Day volunteer counselors. We have 25 lay counselors, 1 trainee and 5 associates currently seeing clients at Anew Day. We are a thriving and growing ministry with a healthy family culture.
